

Indexers Are The Genealogist's Best-Friend

HSGS's Web Site. Our web site is no longer hosted by www.rootsweb.com and is now hosted by its own USGenWeb server, and has gone through several major changes in the last several months. And again this month there were several changes made. In HSGS's opinion it still needs several more changes that are noted below in italics. Our current Internet address starts with www.usgenweb.org/mi, then the [MIGenWeb - Michigan Home Pages](#) opens, then click on the [Alphabetical List](#) of Michigan counties and then click on [Iosco County](#). Three tables will appear: (1) [Iosco County Resources](#) table, (2) [State of Michigan Resources](#) table, and (3) [United States National Resources](#) table.

- **If you wish to do a SIMPLE SEARCH of all Iosco County indexes (including HSGS indexes):** From the [Iosco County Resources](#) table go to the search block titled [Search the USGenWeb Archives](#) in the lower right corner and enter your search words and click on the word [<<Iosco](#). The [Advance Search Menu](#) will come on the screen (For some unknown reason) with your Simple Search results shown below it. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- **If you wish to do an ADVANCE SEARCH of all Iosco County indexes (Including HSGS indexes):** From the [Iosco County Resources](#) table go to the search block titled [Search the USGenWeb Archives](#) in the lower right corner and click on the word [<<Iosco](#) and the [Advanced Search Menu](#) will appear. Fill in the options offered on the search menu (Be sure Iosco County is selected) and then click [SEARCH](#) and the search result will be presented below the Advance Search Menu. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- **If you wish only to BROWSE all of the HSGS indexes:** Go to the [Iosco County Resources](#) table and click on [Huron Shores Genealogical Society](#), and the [USGenWeb home page for Iosco County & the Huron Shores Genealogical Society](#) will open. This page is not prepared by HSGS, but by an USGenWeb volunteer, and is badly outdated, except for the first paragraph. In the first paragraph click on the words [Main HSGS Index Page](#) (shown in green), and all HSGS indexes will open up for browsing only because there is no search engine available here. *(We have asked that a search engine be made available here).* The Find Button (Ctrl-F) will afford some limited search of all the index titles, and also will afford some limited search of the content when an individual index is opened.
- **If you wish to READ HSGS Newsletters from 2004-2008:** Go to the [Iosco County Resources](#) table and click on [Huron Shores Genealogical Society](#), and the [USGenWeb home page for Iosco County & the Huron Shores Genealogical Society](#) will (shown in green) and a list of our newsletters will appear. Select the MS-Word or PDF format and click on the date of the newsletter you want and the newsletter will open.
- **MIGenWeb Megasearch.** Starting this month, in the lower left corner of the [Iosco County Resources](#) table is an item titled [MIGenWeb MegaSearch](#). HSGS has found no explanation given for what this is. It appears it might search all of USGenWeb except the USGenWeb Archives. If anyone knows what this is please advice us. Thanks.

HSGS currently has 1,293 indexes, 31,188 printed pages, and 1,378,411 name citations indexed: If the indexes were printed out they would be about 9 feet tall and weighs about 300 pounds.

All these files are on HSGS's master file on our computers external hard drives, & on a 2-CD set that we sell. But only about 98% are on the web site (Which does not include about 10-20 new indexes within the last month or two, draft indexes not yet finished, & a some administrative corrections). The history and current status of our master indexes & CD follows:

Iosco County Michigan Veteran's Honor Roll Project: The list of veterans from Iosco County who served during wartime, and the web site, are being developed by HSGS under contract with the Tawas City Hall. A test web site has been established at www.IoscoVets.org for several months. A final list of veterans from the Civil War through the Vietnam War was completed and sent to the website on January 7, 2009. The other newer wars are expected to worked on with a new contract starting this April and finishing in September this year.

MERRY CHRISTMAS 2008

We've had a great year, and hope you all had the same.

The first half of the year was spent getting ready for a major family history research trip and getting the house and yard in shape for our absence. We spent two weeks at our condo at Wolf Creek, Utah and traveled each day to the LDS library in Salt Lake City to find basic data on our relatives (living and dead) and the areas we intended to visit. Bob was still working at his handyman business & Ethel kept up with her quilting, yard work & family activities. We managed to keep busy.

From the end of June to the end of October we drove 17,500 miles through 30 States and 4 Canadian Provinces looking for traces of our ancestors, any relatives we could find and enjoying the interesting things along the way. Our primary goal was to research our ancestors in Schoharie and Richmond Counties, NY, and attend Ethel's 50th HS reunion in Oscoda, Michigan. We weren't able to catch up with all the relatives we wanted to, but we had a great time sharing memories and family history with those we did find. We even met some we had not met before: Dick & Beverly Wierenga, Ethel's cousins from Dunellon FL; and Bill & Susie Skaggs, Bob's cousins who had just recently moved from

Virginia Beach, VA to The Villages, FL. We searched out homesteads, walked cemeteries, visited libraries & museums, government offices, churches and contacted historical & genealogical societies. The folks we met were very helpful, and we brought back a ton of documents and notes that will take a year to sort out and incorporate into our Family History Projects. We visited Ethel's home in Michigan, Niagara Falls, Bob's 1957-9 Navy station in Mass., took the free ferry from Staten Island to Manhattan, where we checked out Wall St. and Ground Zero; toured the he Gettysburg battlefield & Eisenhower Farm, Washington, DC, the Florida beaches, hurricane damaged areas of MS, LA & TX. We got to spend a little time with Sean & Ray Duffey and their families in Texas. Sean lives in Kyle & works for Samsung & Ray lives in Round Rock & works for Wyndham.

Back home, the local family was glad to see us back. Not much change in the local scene. Everyone is busy trying to keep ahead of the game. Sonja graduated from Nursing School, and is working at the St. Claire Hospital in Lakewood, WA. Bob will close his handyman business and enter "full retirement" the end of the year.

To Gloria Sherman - Thank you so much for all your help this past Aug. when we were in O'Leary, Pa. Bob.
HAPPY NEW YEAR
Wish I could be there to help the society. If you ever get out to see your son in Seattle. Give us a call.
